Gary,

It was recently discovered on the EPA San Jacinto River webpage (http://www.epa.gov/region6/6sf/texas/san_jacinto/index.html) that the link to the DSHS San Jacinto document is wrong.

Could you please have your web folks change the following link:

Under the Health Considerations section:

The Texas Department of State Health Services (DSHS) and the Agency for Toxic Substances and Disease Registry has released the [San Jacinto River Waste Pits Public Health Assessment – Public Comment Draft](#).

It should be replaced with: http://www.dshs.state.tx.us/epitox/assessments/San-Jacinto-River-Waste-Pits-_PHA-Final-_10-29-2012.pdf

Let me know if you have any questions.

Thanks a bunch!

Tina
